Information for Sponsors

The RiboClub Annual Meeting organizers are seeking public and private sponsors and industrial partners to support social events, best awards, tutorial, gala dinner, student travel and registration, invited speakers, invited panelists and other conference expenses.

The organizers offer exceptional exposure and value of sponsorship-associated benefits:

Academia / Industry networking dinner Sponsorship: 10 000 CAD

This will give sponsors the opportunity to give a 5-minute welcome note during the opening dinner on Sunday, photo opportunity with leaders in the field and logo placement in the different venues.

Booth space for the fair will be allocated by the RiboClub Annual Meeting Committee. The committee only considers the area, time and booth quantity that an exhibitor is applying for as reference. We will make all necessary efforts to meet the sponsors' requests but the committee reserves the right to arrange the booths and exhibition space as it sees fit.

Two tables and two chairs will be provided for each booth. Size of the tables is 72"x32"

This allows sponsors to display logos during the session, product advertisement during talks and a 5-minute introduction about the sponsor during the panel discussion through the moderator.
